

## DARK ANGEL COMPANY BADGES [BATTLE & RESERVE]

Shown below are the Company badges, used primarily on vehicles and large items of equipment [squad numbers can superimposed on symbols where appropriate].

Company badges may also appear on the left kneepad of marine troopers.

Lower row shows the hi-definition battle identifiers.

>> All badges have been produced in Adobe Illustrator as vector illustrations, using cmyk colours and saved as a hi-res pdf file. Badges can be printed just as they are, or opened in Photoshop (Mac) or PaintShop Pro (PC) where you can customise them.
